Dear Students/Parents,

Congratulations for getting admission at V.P. and R.P.T.P. Science College, Vallabh Vidyanagar. This College is one of the oldest and prestigious Science Colleges of Gujarat. The College was announced open by Sardar Vallabhbhai Patel in 1947. Since then we are committed to maintain high level of excellence in academics.

The College has a tradition of conducting a Student orientation Program for its newly admitted students. This program will build a relation between you and the institute where you will get an opportunity to meet the respective faculty members and senior students of the college. It will also make you aware of the infrastructure and working of the College. Thus the aim of this exercise is to make the students feel comfortable from day one at College.

You are heartily invited along with the parents for the online orientation program scheduled as follows:

Date: August 17, 2021
